LLINDA & J. Kert

RELEASE DATE

2 October 2026

FORMAT

Album / 12 tracks

SOUND

Future house / Electronic pop

TRACK LANGUAGE

English

LABEL

GB Production

OFF SCRIPT brings LLINDA and J. Kert together across twelve English-language tracks, combining future house production with pop songwriting. The album explores identity, relationships and the moment a familiar script begins to lose its grip: expectations give way to personal choices, one song at a time.

THE LABEL / THE ARTISTS

GB Production

GB Production is an independent music label working across electronic music, club culture and song-led projects. Its catalogue moves between house, drum and bass and rave, alongside funk, cumbia and alternative rock. J. Kert, LLINDA, BAD INSTRUCTIONS, Focus Music Universe, MALVOLT, CUMBAYRO and FUNKIVO each have a distinct musical and visual identity. The label oversees concept development, artistic direction and the selection of releases, with artificial intelligence openly acknowledged as part of its creative process.

PRODUCTION AND AI

AI is a production tool within GB Production's creative workflow. The label defines each project's concept and artistic direction, selects the results and decides which tracks to release. Its use of AI is stated openly.

J. Kert

Raggatek, hardtek and neurofunk: tight rhythms and bass that drives movement.
